Fire Explorers Assist at Youth Football Event

On Saturday, August 17, 2013, members of the Cottonwood Fire Department sponsored Fire Explorers Post cooked and served food for the annual High Desert Youth Football (HDYF)-- Punt, Pass and Kick day. This event is an annual fund raiser for youth football in Cottonwood. Approximately 120 youth participate in HDYF football. The Explorer's assistance proved to be a big help for HDYF due to their facing a decrease in volunteers every year. Attached are two photos of our Fire Explorers displaying their participation and hard work.
